

# Worker Health and Safety Awareness Training & Supervisor Health and Safety Training

Meet your obligations under health & safety legislation to train workers and supervisors

HR Proactive's Worker H&S Awareness and Supervisor H&S Awareness e-Learning programs are an easy tool to help you meet your obligations to train your workers and supervisors. Each of the 30-minute e-Learning programs features quizzes and scenarios throughout the programs to ensure workers and supervisors understand the general requirements for promoting a health and safety culture in the workplace.

## Program Highlights:

- Two 30-minute interactive e-Learning modules (one specific for workers and one specific to supervisors)
- Meets Ontario compliance standards
- Automatic course bookmarking
- Tracks learner progress & completion
- Includes your company branding & policy
- Customizable content
- Quizzes and scenarios to ensure learners understand key concepts
- Custom course Certificate of Completion
- Can purchase SCORM/AICC and upload to your server
- Hosting available on our LMS
